Welcome to the Fairborn City School District! **Fairborn City Schools are rated “Effective” on the Ohio Department of Education Report Card. Fairborn is an excellent academic choice for your family!** On the Ohio Department of Education Report Card our buildings are rated:

Fairborn Primary School: Effective

Fairborn Intermediate School: Continuous Improvement

Baker Middle School: Effective

Fairborn High School: Effective

Fairborn offers **all-day kindergarten at the Wright Campus**. Our kindergarten program model provides an extended day experience that allows our students time for hands-on learning; time for guided practice; time for exploration; time for self-development; and time for social interaction. Research studies indicate that full-day kindergarten can lead to improved academic achievement and nationally; many states and districts are offering full-day kindergarten! Research also shows that students in full-day kindergarten contributes to increased school success and that students in full-day kindergarten are better prepared than those in half-day programs. Achievement findings for full-day kindergarten students show a trend toward higher achievement in literacy and mathematics!

Fairborn’s **curriculum requirements meet or exceed the standards set by the North Central Association of Colleges and Secondary Schools and the Ohio Department of Education.**

Fairborn High School offers an outstanding Air Force JROTC program. AFJROTC encourages its students to get involved in their local communities to help them become well-informed and helpful citizens. Each year’s Aerospace Science course work relates to a different theme. Examples are frontiers in aviation history, the science of flight, and the exploration of space. Aerospace Science is a combined social studies, applied science, and leadership development course sponsored by the United States Government. College-bound students can compete for an Air Force Academy nomination or an Air Force ROTC scholarship through their Air Force Junior ROTC unit. Recent graduate, Dave Scarberry, is currently attending the United States Merchant Marine Academy on a full-scholarship and his sister, Betsy Scarberry, is attending the United States Air Force Academy on a full scholarship! Astronaut, Col. Gregory H. Johnson, Fairborn Class of 1980, recently piloted the Space Shuttle Endeavour and visited his alma mater to talk to students!

**Fairborn High School graduates received over \$6 million dollars in scholarship offerings last year!**

Fairborn has **outstanding co-curricular opportunities for your children** including band, orchestra, Muse Machine, athletics, art club, honor society, varsity club and much more! The Fairborn City School District is approximately 5 minutes from Wright-Patterson Air Force Base. The Fairborn City School District offers students the benefits of a large district in a small district environment.

Within the classroom and in extra-curricular activities your children will have the opportunity to participate in a wide variety of activities including: Gifted and outstanding ROTC, College Prep/AP/Honors, and Special Education.

Before arriving to Wright-Patterson Air Force Base:

**\*Contact Fairborn City Schools (937) 878-3961**

**\*Check our website for additional information [www.fairborn.k12.oh.us](http://www.fairborn.k12.oh.us)**

\*Ask for information about what school your child will be attending

\*Ask for a copy of our school calendar

\*Have the following information with you when you register your child:

\*birth certificate

\*immunization records

\*school transcript information

\*IEP for students with special needs

Fairborn would like to extend a warm welcome to all incoming military families! We look forward to meeting you and welcoming your children into the Skyhawk Pride!
