Dear Michael,

On behalf of the board of trustees of the National Aviation Heritage Alliance I want to thank you for the outstanding support provided by you, Laura Webb and the entire Miller Valentine team to the Mark Dusenberry Family. The quick response to their needs and your willingness to work with the Alliance is truly appreciated. As you may know, Mark transferred to Cleveland Metro Hospital on 16 October 09 to begin his rehabilitation program. While the family stayed less time than anticipated, the accommodations you provided were very helpful to the family. During their stay they were able to do some home cooking, providing Mark some of his favorite meals in lieu of the hospital's food service. Overall, they found themselves able to relax in a way not possible at the hotel and that helped the family in this time of need.

Once again, thanks for a job well done!

Respectfully,
